

COMPANY PROFILE

Exodus Broadcasting is a Manila-based boutique media company that specializes in providing regional and national advertising solutions through FM and online radio for the top Philippine brands.

Established in 1993, it has 25 years of experience in the media and advertising industry.

By far, it has successfully managed the sales & operations of **WRock**, The Philippines' Original *LiteRock* Radio. Much desired by the *Titos&Titas* worldwide, **Exodus** has since expanded the operations of its Cebu-based radio station by establishing **WRock Online**, to cater to a larger reach of audience both nationwide and abroad.

With plans to expand its operations with the addition of new media platforms in the next 5years, **Exodus** is gearing up to grow with you in order to satisfy and exceed your needs.

Spearheaded by advertising mavens and mavericks; **Exodus** aids you in achieving sustainable growth through marketing efforts that help you build brand equity, attract more patrons, and attract business partners. In addition, it is the company's mission to remain competitive and relevant in the industry by continually evolving and adapting to the fast-changing global media landscape.

AREA & MEDIUM

Why Cebu?	Cebu is a fast-growing, financially secure key metro city that is a center for commerce and a tourism hub. It is where many multinational and top-performing brands have begun provincial expansion and advertising.
Why Radio?	Due to the country's limited internet connectivity, radio is still one of the most cost-effective medium that has the widest coverage and reach. It is a multi-tasking form of media that can be consumed anytime and anywhere while doing anything. In addition, it is ideal for sustainable year-round campaigns that help build top-of-mind brand equity, credibility, and integrity.
Why WRock ?	WRock helps you reach your targeted ABC audience with high spending power over a wide area of coverage.
Why WRock Online ?	WRock Online livestreaming expands the reach of our FM station to listeners nationwide. With close to a million listeners in Metro Manila, Bacolod, and Davao; it is an additional platform for our valued clients to reach more listeners via audiovisual and digital media content.

BRAND PROFILE & REACH

WRock is the Philippines' Original *LiteRock* Radio, Cebu's number 1 premium radio station catering to the ABC market, and the region's number 1 online radio. Playing hits from yesterday and today, **WRock's** *LiteRock* playlist consists of power ballads, easy listening, and tracks from Bruno Mars and Ed Sheeran that fit the unique *LiteRock* mix everyone has come to love and enjoy. Presently broadcasting from the CBD of Cebu City and reaching Bohol, Leyte, Negros and other parts of the Central Visayas Region on the FM-band and catering to close to 1 million Filipinos daily via online; **WRock** has gained a loyal following as it promotes love and nostalgic memories through its *LiteRock* programming and advocates a responsible lifestyle through its DevComs and talk shows.

LISTENERS

The **WRock** listeners are regarded as “The *Titos&Titas* of the Metro”. They are a good mix of responsible professionals and entrepreneurs who are key decision makers in the household and belong to the ABC segment. They are financially stable individuals who have high spending power and are at the age of investing into real estate, purchasing vehicles of their own, and securing their future. Despite being provident, they know how to appreciate beautiful things and have a zest for life and enjoyment; and they are at a stage in their life wherein they want to enjoy the fruits of their labor with their families and the ones they love by sharing good, memorable experiences. In addition, the **WRock** listeners are at the age who prefer tuning in to radio and appreciate a healthy balance of music, news, talk shows, creative segments, and developmental commentaries that promote love and advocate responsibility.
